-------------------------	--------------------------------

Special Condition # 19: You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: On November 2 and 10, 2005, Jimmy Phillips submitted urine specimens which were confirmed positive for marijuana. On November 3 and 22, 2005, Mr. Phillips admitted to consuming marijuana prior to submitting urine specimens on November 2 and 10, 2005.

U.S. Probation Officer Action:

Following the defendant's admission of marijuana consumption on November 3, 2005, he was referred to New Horizon Care Center for substance abuse counseling. Following the subsequent urinalysis specimen submitted by the defendant on November 10, 2005, it was brought to the undersigned officer's attention that the level of the positive result was consistent with continued drug use. Subsequently, the defendant met with the probation officer on November 22, 2005. At that time, it was made very clear to Mr. Phillips if he chooses to continue consuming illicit substances, the undersigned officer will request official action from the Court.
